- This curriculum summary was formulated based on the University Law and the Academic Regulations of Hsing Wu University and it was reviewed and passed by the School Curriculum Committee on September 26th, 2023.
- This department's curriculum design is a four-year program. Students in this department must pass 128 credits in total in order to meet the graduation requirements, including the completion of 28 credits of required courses and 4 elective courses on General Education, and the completion of 32 credits and 64 credits of required professional courses.
- According to the required subjects listed in this summary, students must take academic semester or yearly courses arranged by the school authorities. Assessing the circumstances, will "alternately offer" courses for students to study. Students' graduation credits will be validated only when they pass the 1st and 2nd semester courses.
- General Education students must complete 14 credits of "Vocational General Education" courses, at least 2 credits of "Liberal Arts Education" courses and at least 4 credits of "Literacy" and at least 8 credits of "Health Management" courses. From each category, students can choose to take 4 credits of elective courses and the grand total of credits completed should be 32 credits. Please refer to the curriculum summary made by the General Education Center for details of category classification.
- The credits taken by students who have completed the professional elective subjects but studied the same courses will be invalidated to avoid double counting.
- Students must acquire professional certificates according to the policies made by the department.
- Internship Guidelines during the study period, internship courses take by students each semester must not exceed 9 credits. And the total internship credits must not exceed 18.
- As to the fourth-year courses in this curriculum summary, senior class students must take "Workplace Ethics" for the 1st semester and "Business Trends" for the 2nd semester of students who choose to attend overseas internship programs.
- this double circle symbol indicates that a computer classroom is needed.
